

HI TO ALL AA MEMBERS

HAVE YOU EVER THOUGHT, "I WOULD LIKE TO DO SOME SERVICE WORK BUT I DON'T HAVE A LOT OF TIME"?

WE HAVE A SOLUTION!

We are the CCFAA Public Information, and Cooperation with the Professional Community Committee.

Our goal is to make AA literature available to all those who still suffer. We need people to place this literature in locations close to where they live or work. It will take about an hour once a month to check and restock.

"THAT'S IT"

WE WILL RENDER ADVICE, LITERATURE AND RACKS.
