

Jaywalkers FOUNDERS DAY Celebration

While Bill and Bob met in May, the "birthday" of AA is recorded as June 10, 1935. On this day, Dr. Bob drank one last beer to steady his hand for surgery and never drank again. This event solidified the principle that one alcoholic helping another was a vital path to recovery.

Saturday June 6th, 2026
10am – 8:30pm

WHERE

2100 J Street, Sacramento
(Enter the black gate on 21st street)
